ARTICLE VI

GRIEVANCE PROCEDURE

- A. A grievance is defined as an alleged violation, misapplication, or misinterpretation of a specific provision of this Agreement. A grievant shall be defined as a bargaining unit member, group of bargaining unit members, or the Association. When such problems arise, an attempt will be made to settle them informally by the grievant involved and the immediate administrative supervisor. During the effort to settle such a problem at the informal level, the grievant involved shall advise the administrator of the section or sections of the Agreement which relate to the problem. No settled grievances shall be inconsistent with the provisions of this Agreement. A problem which cannot be resolved informally will be processed as a grievance.
- B. Each grievance shall be processed in the following manner:
1. Step One
 - a. Within fifteen (15) days after the event giving rise to the grievance occurred, the grievant involved will reduce the grievance to writing, on a form provided by the Board (see Appendix C) and will present it to the Building Principal. Upon receipt, the Principal will place a copy of the grievance in the Association Building Representative school mailbox.
 - b. Within five (5) days after the grievance is submitted, the Building Principal will discuss the grievance with the grievant in an attempt to resolve it.
 - c. Within five (5) days after this meeting, the Building Principal will state the decision in writing on the grievance form and provide a copy to the grievant.
 2. Step Two
 - a. If the grievant is not satisfied with the disposition of the grievance in Step One, or if no disposition has been made within the above timelines, the grievant and/or Association shall complete Grievance Report Form, Step Two, and submit the grievance to the Superintendent and/or his/her Association representative. Within five (5) days of this meeting, the Superintendent shall indicate, in writing, the disposition of the grievance by completing his/her portion of Step Two and forwarding it to the grievant. The Association and the immediate supervisor shall be notified in writing of said disposition.
 3. Step Three
 - a. No later than five (5) days from receipt of the disposition from Step Two, the grievant, if unsatisfied, must file a request with the Board of Education in writing.
 - b. The Board will review the grievance within ten (10) days of receipt of the written request, or at the next regularly scheduled Board meeting upon mutual agreement of the parties. The grievant will be notified of the Board's response in writing.

4. Step Four

With the concurrence of the grievant, the Association may appeal a Step Three grievance disposition by submitting a Demand for Arbitration Form to the American Arbitration Association (AAA) within 35 days after receipt of the Step Four disposition.
 - b. A copy of said demand form will be sent to the Superintendent at the same time as the original is sent to AAA.

 - f. The arbitrator is specifically prohibited from making any decision which is inconsistent with the terms of this Agreement, which alters or amends this Agreement, or which is contrary to law.
 - g. The costs and expenses of the arbitrator shall be shared equally by the Board and the Association.
5. The failure to initiate a written grievance within the timelines set forth shall constitute a waiver of the right to file a grievance. The failure of a grievant to appeal any decision to the next step within the timelines set forth for such appeal shall constitute a waiver of the right to further appeal, and a final disposition of the grievance shall be made on the basis of the last decision given. Any of the timelines established in this grievance procedure may be waived by mutual written agreement of the parties.
6. All grievance hearings shall be held outside of the normal teaching hours (student day) of the grievant or grievants involved so as to not interfere with their teaching responsibilities. A representative of the Association shall have the right to be present and may, at the option of the grievant, represent the grievant at all steps of the grievance procedure. A grievant shall not be represented or accompanied by a representative other than those recognized by the Association, at any grievance hearing.
7. There shall be no reprisals taken against any bargaining unit member as a result of his/her participation in this grievance procedure. The grievance procedure shall be the sole avenue for remedy available for alleged reprisals based upon participation in the grievance procedure.

8. For the purposes of this procedure, a day shall be defined as a work day, except that from the period extending from the last teacher work day during a school year until the first teacher work day during the next school year, a day shall be defined as a weekday excluding any Board-recognized holidays.

3. In special subject areas such as laboratory science, vocational shops, and language laboratory courses, every attempt will be made to limit the number of students to available stations.
4. Classes for students enrolled in special education will be limited in number to those allowed under the State Department of Education standards.

 8. The Building Principal may solicit student transfer to balance class sizes between buildings.
 9. If the financial situation of the Board or space limitations require the Board to deviate from the language, the DAC shall be convened to mutually agree to a resolution.
 10. It is mutually recognized that the presence of special needs students can have an impact on the appropriate class size and workload of both the regular classroom teacher and Intervention Specialist. A good-faith effort will be made by the building Administration to adjust class size where appropriate, taking into account, among other factors, the number of special needs students, the nature of the disabilities involved, the caseload, the class size prior to mainstreaming, and the extent of support and assistance being provided by ancillary staff members.

F. Covering Other Classes

5. LPDC credit toward license renewal may be awarded (i.e. C.E.U.s).

H. Site Based Decision Making

1. Establishing a consistently pleasant and productive classroom and work environment has long been a desire of the Jonathan Alder school system. Because of unique differences in buildings caused by the building structure, grade levels of students housed, elementary versus departmentalized teaching situations, bussing schedules, etc., there is a strong need for each building to have some freedom to accomplish what is best for students. This involves both governance and decision-making.
2. To provide each building an opportunity to be creative and flexible in meeting the needs of students, a site-based decision making procedure will be established using the following guidelines:
 - a. The Building Advisory Committee will serve as the sounding board for fellow teachers and the recommending body in each building.
 - b. Recommendation from a building must be forwarded to the President of the Association and the Superintendent for their approval. Both must approve any proposal to deviate from current policy, the negotiated contract, or established district/building procedures for a waiver to be granted which shall be in writing and signed by the designated representatives of the JAEA and the District.
 - c. Every effort should be made to explore all possibilities to minimize or eliminate any change to the current negotiated Agreement.
 - d. If a suggested change is approved by both the Association President and the Superintendent, the building will hold a secret ballot of all teachers to approve or reject the proposal. Seventy-five percent (75%) of all teachers must approve the waiver for it to pass and be implemented and reduced to writing as a memorandum of understanding with effective dates.
3. Waivers which are approved apply only to the building site which approves them and will only apply to the school year in which it is proposed and passed.
4. If the parties in a site want to terminate a requested and approved waiver, a 75% secret ballot vote of all teachers in the building must concur, or the request for change must be approved by both the Association President and Building Principal at the request of the Building Advisory Committee. The Superintendent must likewise concur for the change to occur.
5. The Local Professional Development Committee or LPDC shall be comprised of five (5) bargaining unit members with a minimum of one (1) representing each building and one (1) administrator, including the Assistant Superintendent or designee. This committee shall review and approve certified employees' Individual Professional Development Plans in accordance with ODE guidelines.

- a. LPDC credit toward license renewal may be awarded (i.e. CEUs)

I. Transfer/Vacancy Policy

1. Voluntary Transfers

Transfers may be made at the request of the bargaining unit member. Requests for transfers must be renewed each year by either: (1) letter, if the opening occurs during the year; or (2) by notice of intent form, if the opening occurs during the summer or during the first week of school. Notice of Intent Form (Appendix D – completed electronically) will be distributed to each bargaining unit member by March 15th and must be returned to the administration by April 1. Completed Notice of Intent Forms will be shared with the Association President.

- a. Building Principals shall have the discretion to fill openings in their buildings from among the building staff without posting the vacancy. Any remaining vacancies will then be posted and filled in accordance with the provision of this Article.

 - 1. An employee dies
 - 2. An employee resigns

2. Deadline for application.
 3. Effective starting date.
 4. Qualifications and requirements of job.
 5. Any additional pertinent information.
- e. Unit members shall have seven (7) calendar days from date of posting to apply for position posted.
- f. The bargaining unit member who has made written application in a timely fashion for a transfer to the position, who possesses certification/licensure for the position, and who has the greatest seniority by hire date will be given first consideration for the transfer. If a more senior bargaining unit member who applied is denied the transfer, the staff member shall be granted a post-transfer conference if requested. At such conference, the staff member shall be given reasons through discussion as to why the transfer was not approved. Such reasons will not otherwise be used to the detriment of the staff member. Final decisions on transfers shall be within the sole discretion of the Board/designee. Nothing in this Contract shall be interpreted to require the Board to fill any vacancy.

2. Involuntary Transfers

- a. If a vacancy remains open after the completion of the voluntary transfer process described in Section 1 above, involuntary transfers may be made upon the initiation of the Superintendent. The Superintendent has the right to assign, reassign, and transfer personnel for the betterment of the School District. Prior to a change in assignment or transfer, or posting a currently occupied position, an administrator will hold a conference with the affected bargaining unit member and the administrator will share the qualitative or quantitative rationale for the transfer or reassignment. The bargaining unit member may provide feedback to the administrator.
- b. The affected bargaining unit member will be permitted to submit a requisition, within the building budget and to the extent that funds are available, for materials which are necessary to implement the instructional process of the new teaching assignment. Such requests will be given high priority.
- c. After the bargaining unit has been notified of involuntary transfer, the Board shall post all positions available as required in Section 1 above.

3. Professional Development Planning Committee

- a. The Professional Development Planning Committee or PDPC shall be made up of Innovation Team Members as well as three (3) additional classroom teachers with each representing grades PK through 4, 5 through 8, and 9 through 12.
- b. The PDPC will be tasked with creating, developing, and communicating the content and schedule for the district's professional development days, taking in consideration the needs to the State.

J. Reduction In Force — Teachers

If the Board determines it is necessary to reduce the number of bargaining unit positions, it will use the procedures under O.R.C. 3319.17. “Comparable evaluations” for purposes of this section means “Accomplished” and “Skilled” pursuant to the most recent final summative evaluation rating.

K. Subcontracting

The Board shall not layoff bargaining unit personnel and then subcontract their work.

L. Consolidation

Should the Board become involved in discussions with other boards of education or outside agencies regarding consolidation, the Board shall include the Association as part of these discussions.

M. Drug-Free Workplace

1. No employee shall unlawfully manufacture, distribute, dispense, possess or use any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcohol or any other controlled substance as defined in Federal and State law, in the workplace.

 - b. "Workplace" is the site for the performance of any work done in connection with the school district. The workplace includes any school building, school property, school-owned vehicles or school approved vehicle used to transport students to and from school activities (at other sites off school property) or any school-sponsored or school-related activity, event or function, such as a field trip or athletic event in which students are under the jurisdiction of the school authorities.
2. As a condition of employment, each employee shall notify his supervisor, in writing, of his conviction of any criminal drug statute for a violation occurring in the workplace as defined above not later than five (5) days after such conviction.
3. Drug or alcohol testing may be required for any individual employee where there exists reasonable suspicion to believe that illegal drug use or alcohol use is impeding the employee's ability to perform job functions. Such tests shall be directed by the Superintendent. An employee may be required to undergo such testing immediately when the Superintendent determines that there is objective indications of behavior, demeanor, speech, appearance, breath or job performance and probable and just cause that the employee has been impaired by drugs or alcohol while in the scope of his/her employment. The Superintendent will inform the employee before any such tests are performed that he/she may request that Union Representation (JAEA President, LRC, or similar) be in attendance. Any employee who tests positive for drugs or alcohol shall be given the opportunity to challenge or explain the results. Employees who violate this policy shall be subject to disciplinary proceedings in accordance with prescribed school district administrative regulations, local, state and federal laws and/or the negotiated agreement,

up to and including termination. Any employee in violation of this policy may be required to participate in a drug abuse assistance program approved by the Board.

- a. As used in this policy, drug and alcohol tests include blood, urine, breath, or other chemical tests performed by physicians and professional testing laboratories. The results of any such test will remain confidential, to the extent allowed by law, except for its use in official safety or accident investigations, criminal prosecution of the employee, or any action related to the removal or discipline of the employee.

2. For purposes of this section, "use of tobacco" shall mean all uses of tobacco including a cigar, pipe, cigarette, snuff, or any other matter of substance that contains tobacco.
3. E-cigarettes, vaping, juuling, or the use of other similar devices that are used to inhale or ingest foreign substances will be treated as a violation of the drug-free and smoke-free work environment.
4. In order to protect students and staff from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco by all employees in school buildings, on school grounds, on school buses, or within any indoor facility owned, leased, or contracted for and utilized for the provision of routine or regular kindergarten, elementary, or secondary educational or library services to children.

O. Nursing/Custodial Care Services

- c. If a unit member's employment ends or if he/she assumes unpaid status with the Board before all the deductions have been made, the unpaid balance shall be deducted from his/her final paycheck prior to assumption of unpaid status. Following completion of each deduction, the Board's Treasurer shall remit the amount which was deducted to the Treasurer of the Association by check, payable to the "Jonathan Alder Local Education Association." Each such check shall be accompanied by a list of bargaining unit members from whose pay deductions were made and the amount deducted from the pay of each such unit member.
- d. The Association shall have the exclusive payroll deduction rights for union dues for members of the bargaining unit.

4. Credit Union Deduction

The Board will maintain its present payroll deductions for credit unions.

5. Annuity Deductions

- a. Monthly annuity deductions in accordance with Section 403(b) of the Internal Revenue Code (IRC) shall be made for all those bargaining unit members presently enrolled, and new companies shall be added if seven (7) or more bargaining unit members wish to enroll. The maximum number of annuity companies for which deductions are required shall be ten (10).
- b. Each member of the unit shall have the responsibility to determine that their payroll deductions for tax sheltered annuities do not exceed the maximum amount provided in Section 403(b) of the IRC and regulations applicable to that section and shall not seek any payroll deduction in excess of that amount. Each member of the unit shall, upon request of the Treasurer, provide to the Board or obtain for the Board, any information which the Board may request to permit it to independently determine the qualified nature of the selected program and the applicable limitations on the amount of deferral. In the event the Treasurer and/or Board are assessed any taxes, charges, penalties or interest as a result of deductions by a member which exceed the IRC maximum limit, those amounts shall be reimbursed by the member to the Treasurer or Board.

6. Political Action Committee

The Treasurer of the district shall take such deductions from a bargaining unit member's regular earnings as may be authorized by the bargaining unit member and shall transmit them to Fund for Children and Public Education in accordance with guidelines developed cooperatively by the JAEA and the Treasurer.

C. Specialized Training

All bargaining unit members with students with specialized needs and/or accommodations in their class(es) shall be trained at board expense to better serve the needs of these students during in-service or at an outside training session. Bargaining unit members required to attend such training outside the regular school day or year shall be compensated at a rate of \$22 per hour.

D. Meeting Conference Reimbursement

1. Annual reimbursement for college courses will be given between June 1st and May 31st. Documentation of the approval and expenditure spreadsheet shall be shared with the JAEA president.
 - a. The appropriated funds will be granted to bargaining unit members for workshops, seminars, clinics, conferences, and college courses that are in the bargaining unit member's area of certification/licensure, for adding areas of certification/licensure, or for upgrading areas of certification/licensure upon prior approval of the Superintendent. Individual reimbursement for college courses shall be on the following basis:

Total dollars in appropriate fund = % of reimbursement applied to Total cost for all teachers all requests

- b. Reimbursement for all workshops, seminars, etc. shall be on a first-come, first-served basis subject to the approval of the Superintendent. Any money not used for workshops, etc., shall be applied to the total amount of money for college reimbursement. All requests approved by the Superintendent will be reimbursed by the second pay in July. All requests shall be submitted not later than June 30th.
2. Annual reimbursement for workshops, seminars, etc., will be given between July 1st through June 30th. (This allows for any unencumbered monies in the workshop fund to be applied to the college reimbursement fund.) The Board agrees to the following amounts:

2019-2020 school year reimbursement total: \$51,000

(\$25,000 for college courses and \$26,000 for workshops, seminars, etc.)

2020-2021 school year reimbursement total: \$51,000

(\$25,000 for college courses and \$26,000 for workshops, seminars, etc.)

2021-2022 school year reimbursement total: \$51,000

(\$25,000 for college courses and \$26,000 for workshops, seminars, etc.)

3. Beginning with reimbursement requests submitted after July 1, 2016, should a bargaining unit member leave the District voluntarily within one (1) school year of receiving tuition reimbursement funds, the bargaining unit member shall re-pay the full amount of the tuition reimbursement received. Should a bargaining unit member leave the District voluntarily within two (2) school years of receiving tuition reimbursement funds, the bargaining unit member shall re-pay fifty percent (50%) of amount of the tuition reimbursement received. If the bargaining unit member remains employed with the District for two (2) school years or more after receiving tuition reimbursement funds no repayment will be required. Repayment may be deducted from the bargaining unit member's outstanding compensation, in addition to other collection methods available to the Board.

E. Tuition/Non-Resident Students

1. Bargaining unit members' children shall be entitled to attend the Jonathan Alder Local Schools tuition-free as long as their parent is employed by said school district. The bargaining unit member will have the right to choose which building his or her child will attend, provided it does not exceed class size limitations.
2. In pre-school:
 - a. Children of employees who live in the district must attend their building of residence unless there are empty spots at the other building.
 - b. Children of employees who live outside the district cannot bump or be considered ahead of students who live in the school district. When considering students, the district will comply with all Head Start program requirements.

F. Hard to Find Teachers

Paying for coursework for teachers in "hard to find" areas is now allowed by federal programs. As a result, it is the intent of the Jonathan Alder Local Schools to fund "scholarships" for teachers in

these areas. This helps ensure that we have teachers that are properly certificated or licensed in all classes that the district offers for our students. It also helps teachers on temporary licenses or teachers who have minors in their educational experience acquire needed licensure without undue financial hardship on them or their families.

As a result, the following will be used as guidelines for scholarships being offered to teachers:

1. The district administration must approach a teacher about getting licensed in a particular area of need for the district (the teacher maintains the right to reject the proposal without reprisal).
2. The teacher involved must present a complete list of the coursework required to acquire the license to his/her building principal for approval.
3. The district will offer two (2) scholarship options to teachers in this area:
 - a. the district will pay all tuition needed for acquiring needed licensure; however, those hours will not count toward advanced pay levels for the teacher that accepts the scholarship. Hours completed must count toward licensure; or,
 - b. the district will pay 2/3 and the teacher will pay 1/3 of the cost of the hours needed to be taken. These hours would count toward advancing on the district pay schedule as they do with teachers in the already established college tuition reimbursement program. Hours completed must count toward licensure.
4. In return for being granted a scholarship by the district, the teacher agrees to work for the district for two (2) years after receiving the license; otherwise, the funds expended by the district must be reimbursed to the district by the teacher. In return, the district will continue to employ said teacher for two (2) years unless there is evidence of poor performance in the classroom.
5. The district will follow all state guidelines and timelines relative to the deadline for completion of both the coursework and the state's licensing exam.

G. Transportation Mileage Rate

All members of the bargaining unit who must use private transportation to perform their assigned duties will be reimbursed at the IRS mileage allowance rate at the beginning of the fiscal year.

H. STRS Pick-Up (Utilizing the Salary Reduction Method)

The Board of Education of the School District herewith agrees with the Association to pick up, utilizing the salary reduction method, contributions to the State Teachers Retirement System paid upon behalf of the employees in the bargaining unit under the following terms and conditions:

1. The amount to be "picked-up" on behalf of each employee shall be percentage rate mandated by the State Teachers Retirement System, of the employee's gross annual compensation. The employee's annual compensation shall be reduced by an amount equal to the amount "picked-up" by the Board for the purpose of State and Federal tax only.

2. The pick-up percentage shall apply uniformly to all members of the bargaining unit as a condition of employment.
3. The pick-up shall become effective January 1, 1985 and shall apply to all compensation including supplemental earnings thereafter.
4. The parties agree that should the rules and regulations of the IRS, or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
5. Payment for sick leave, personal leave, severance supplementals, including unemployment and Worker's Compensation, shall be based on the employee's daily gross pay prior to reduction as basis (e.g., gross pay divided by the number of days in a teacher's contract).

I. Severance Pay

All certificated/licensed employees in the District will be eligible for severance pay at the time of their separation from service with the District in accordance with the following:

1. To be eligible for severance pay, a certificated/licensed employee must indicate in writing that his/her reasons for termination of employment is retirement from school service. The effective date of retirement must be in accordance with requirements of the State Teachers Retirement System (STRS).
2. Severance pay will be based on the number of accrued unused sick leave days the employee has at the date of termination. The employee will be paid one fourth (1/4) of the value of their unused sick leave days to the maximum of 70 days. In addition, severance pay is only available with the following restrictions:
 - a. In order for an employee to receive severance pay, they must work in the District for ten (10) years.
 - b. That severance pay amount would be affected in the following manner: employees with an attendance rate of 90% or above would be paid 100% severance. Attendance would be calculated by examining the total contract days for each employee over the last ten (10) years of employment. Total contract days would be divided into the number of day's attendance by the employee minus any sick leave utilized or days of dock time. An employee with attendance below 90% would receive the attendance percentage as severance pay.
 - c. All fractional days will be rounded to the nearest whole day.
3. Severance pay will be based on the employee's salary at the time of separation with the salary calculated on a daily rate in relation to the number of work days in the employee contract year. Severance pay shall be based on the employee's salary for regular duties and shall not include compensation earned for supplemental duties.
4. Payment for sick leave on that basis shall be considered to have eliminated all sick leave credit accrued by the employee at that time. Such payments shall be made only once to any employee.

5. Payments for severance pay shall be made no later than 60 days after the effective date of retirement with the State Teachers Retirement System or no later than 60 days after the effective date of the resignation if eligible under the provisions of subsection I. (1) above.

J. Benefits

1. The parties agree that health insurance shall be provided to bargaining unit members and their families as listed in the HRA or HSA policy.
2. The Board shall pay eighty percent (80%) and the employee shall pay twenty percent (20%) of the yearly premium policy cost.
3. Employees must make insurance elections (whether to add or drop) during the open enrollment period of the month of November* with exception of a qualifying life event. A qualifying life event includes such events as birth, adoption, child fostering, dependent child ineligibility, death, marriage, divorce, and employment separation. A single coverage employee that has a qualifying child related event may only add the child to their plan at the time of the event, a non-qualifying spouse must wait until Open Enrollment.

*This enrollment date may be extended based on insurance rate negotiations but any extension will be communicated to the staff via e-mail.

4. Any employee who begins to take school health insurance mid-year or who discontinues coverage before the end of the year will have the board deductible prorated based on the number of months they are enrolled in the program. (i.e. Family = \$5,000 a year; someone drops out or joins for six (6) months - \$2,500). The employee will be asked to sign an acknowledgement of the prorated deductible.
5. The Board's contribution for single insurance and family coverage (in addition to its monthly share of premium payments) shall be deposited in a Health Reimbursement Account (HRA) or Health Savings Account (HSA)_which shall be accessible to each participating employee.
6. At the commencement of each plan year the Board will deposit the amounts agreed upon by the committee:
 - a. For single coverage the amount the Board shall deposit in its HRA or HSA for each participating employee shall be the appropriate deductible and out-of-pocket amount as determined by the Insurance Committee.

For family coverage the amount the Board shall deposit in its HRA or HSA for each participating employee shall be the appropriate deductible and out-of-pocket amount as determined by the Insurance Committee.

It is intended that the deposited amounts offset participating employees' deductible and out-of-pocket responsibilities.

In addition to the participating employees' share of the premium costs, employees' out-of-pocket maximum monetary amount for services provided will be limited and listed in the certificate of coverage effective January 1st of each year.

- b. Participating employees shall continue to be able to incorporate their expenses in the District's tax sheltered plan.

These plans include preventative care coverage which is listed in the certificates of coverage with all premiums paid by the Board.

The employee shall be responsible for paying any additional amounts for services not covered by the plans.

Where spouses are both employed by the district, they shall be entitled to one family plan.

- 2. The parties agree that a pharmacy management program shall be provided to participating bargaining unit members and their families as listed in the policy's certificate of coverage. Participating employees shall be subject to Pharmacy deductibles as determined by the Insurance Committee.

- 3. Insurance Committee

The parties agree to form an insurance committee which will meet on an annual basis (and more frequently if so determined by the committee). The purpose of the committee is to review the status of the District's insurance plans and explore any new possibilities. Any recommendations by the committee would be subject to the ratification procedures of the Association. The composition of the committee shall be as follows:

- The District's Treasurer
- The District's Superintendent
- One member of the Board of Education
- Five members and the President of the JAEA
- Two members of the classified staff

- K. Credit for Experience

Bargaining unit members employed half-time or more shall be granted a year of credit provided they work at least 120 days during the school year. Bargaining unit members employed less than half-time shall be granted a half year of credit provided they work at least 120 days during the school year. Adjustments for experience credit shall be made in July of each year.

- L. Salary Adjustment for Continuing Education

- 1. To receive credit toward advancement on the salary schedule, college courses taken and credits received will only be approved when issued by accredited institutions. Courses must be in semester hours. To receive an increment for training beyond the Bachelor's Degree, a teacher must submit a copy of his/her academic record to show successful completion of coursework. Transfer to a new salary column will be made at the beginning of the school year if the record is submitted by September 1st, or at the pay period beginning the second semester if the record is submitted on or before January 5th.
- 2. Teachers shall be placed on the school district salary schedule according to college preparation and years of experience which they have on file in the local Superintendent's office prior to the beginning of each school year. Teachers new to the district may receive

credit for years of experience to a maximum of fifteen (15) years. Normally, this placement will be for the entire school year. However, teachers who complete sufficient additional college work to qualify for a higher training level on the salary schedule may be placed at this level for the second semester.

3. Such work must be completed and a transcript of credits or other evidence (i.e. grade card, letter from the professor, etc.) presented to the local Superintendent by the dates listed in Article X. L.1.
4. Adjustments in salary for the above purpose will be made only prior to the beginning of school and the first day of the second semester. Please note: Payroll is on a one (1) pay period delay.

M. Employment of Retired Employees

1. Retirement followed by employment with the Jonathan Alder Board of Education assumes that both the Board and the employee will benefit. The Board gains by keeping experienced employees and through savings realized by reduced salary. The employee gains through the receipt of both salary and retirement benefits.
2. Hiring retired employees is provisional and renewable annually. Either party - employee or employer - may terminate the arrangement at the end of the contract period. Only the employer may offer to extend further employment opportunities on a year-to-year basis.
3. A retired employee from inside the system may request being hired back after his/her retirement by submitting a formal written request/application to his/her immediate supervisor. Once the application has been received, approval is required by the employee's direct supervisor, the Superintendent, and the Board of Education. All three (3) of these parties must approve the request before an employee will be re-hired by the school district.
4. Before any contract is issued, a formal retirement counseling/performance evaluation meeting must be held by the employee and his/her direct supervisor. During that conference, job performance standards and expectations will be outlined and specified.
5. Every "retiree" that has been rehired by the Jonathan Alder Schools will be evaluated during each contract term as deemed appropriate by his/her direct supervisor and a determination made as to his/her reemployment for each and every subsequent year of employment. Such contract decisions will be made at the April School Board meeting along with the contracts of other retired employees.
6. In order to clarify certain areas of such an employment relationship (employment of retiree) the following provisions shall apply:
 - a. Definition of Retiree – A retiree is an individual who has attained service retirement status with a State Retirement System (SERS or STRS) and is otherwise qualified by certification and background for work in public schools in Ohio and who is retired from service from any school district.
 - b. Where a vacancy exists, the Board may elect to fill the position with a retiree. For an opening to be filled with a retiree, a recommendation for approval is necessary

by the building principal and Superintendent, and formal approval by the Board of Education.

- c. Contracts for teachers who retire and are subsequently rehired by the Board of Education will be on one (1) year limited contracts (if employed after the start of the school year, contracts will be for the remainder of the school year). Any such contract will automatically expire at the end of the stated term without any other action by the Board of Education or employee. No notice of non-renewal or Board action is required. Continuation of the employment of a retiree shall be at the discretion of the Board and upon the recommendation of the Superintendent. A rehired retiree is not eligible for a continuing contract regardless of the years of employment with the Board. The parties expressly waive all rights and agree that to the extent of the provisions of this article conflict with or contradict a collective bargaining agreement and/or state law, specifically including, but not necessarily limited to, Ohio Revised Code Sections: 3317.33, 3317.14, 3319.07, 3319.08, 3319.081, 3319.082, 3319.083, 3319.09, 3319.11, 3319.111, 3319.15, 3319.16, 3319.17, the terms of this policy shall prevail and will be applied to retired teachers employed by the Board.
- d. A retiree shall be paid in accordance with the negotiated/board-adopted salary. A retiree who was employed as a retiree for the Jonathan Alder Schools prior to May 1, 2016, will maintain their current step on the salary schedule, as long as the retiree declines insurance or pays the full cost of the premium. If the retiree elects insurance with premiums paid as otherwise afforded by the Negotiated Agreement, the retiree will be placed on Step 0 of the salary schedule. A retiree employed by the Board for the first time (as a retiree) on or after May 1, 2016, will be placed on Step 5 of the salary schedule if the retiree declines insurance benefits or pays the full cost of the premium, and Step 0 if the retiree elects insurance benefits with premiums paid as otherwise afforded by the Negotiated Agreement.
- e. Employees will advance one (1) step on the salary schedule each year of employment by the district.
- f. Retirees employed by the Board will not be eligible for a sabbatical leave, but are eligible for professional meeting reimbursement, in-service, family and medical leave. In no event shall such leave extend beyond the retiree's employment contract term.
- g. A retiree shall begin employment with five (5) sick days that are part of the 15 days accumulated by employees each year. Sick days are not carried over from year to year or contract to contract. Sick leave may be used as per the benefits provided to other employees in his/her job classification. However, the retiree is not entitled to collect severance benefits at the end of his/her employment.
- h. Seniority will not be a benefit accumulated by a retiree. Upon employment, the retiree will be credited with zero (0) years of seniority and shall not thereafter accumulate seniority for any purpose under this agreement. There also is no seniority involved in situations involving openings, transfers due to enrollment changes, and there is no right of recall in the event of a reduction in force (RIF) by school district. Retirees shall be RIF'd prior to any other teacher if such an action becomes necessary.

- i. Employees of the Jonathan Alder Schools who intend to retire and request consideration for being rehired must submit a written request to their building principal by November 1st. Requests for reemployment must be recommended by the building principal, and approved by both the Superintendent and the Board of Education. A response to the employee's request to be re-hired will be made by April 1st.
- j. A retiree is eligible for a supplemental contract at the discretion of the Superintendent and School Board.
- k. Retired teachers are eligible to belong to the local bargaining unit.
- l. The provisions of this policy supersede and prevail over any inconsistent terms that may appear in any negotiated agreement or in any part of the Ohio Revised Code.
 - 1. Ohio Revised Code (Sections 3307.353 and 3309.345) require Boards of Education seeking to rehire a retiree to the same position for the first time to notify the public 60 days prior to the re-employment and to hold a public meeting on the issue between 15 and 30 days of the reemployment beginning. The Board of Education may renew limited contracts for rehired retired employees from year to year without notice and hearing once the Board has certified it complied initially upon reemployment.

In order to meet this requirement, Jonathan Alder employees being considered
for being rehired will be rehired based on the following guidelines:

- a. All employees being considered for reemployment for the first time will be included as an agenda item on the January Board agenda. This will serve as public notification of all those being considered for reemployment as a retiree. At that time, the time, date, and location of the February and March meetings will be announced.
- b. The February and March School Board meetings will serve as opportunities for the public to address concerns about reemploying any individuals being considered for reemployment.
- c. Retirees will be rehired by the Board of Education at the April School Board meeting if recommended by the Superintendent and approved by the Board of Education.
